# KONA TO CALL FOR Impeachment Of POLICE OFFICERS

TAUNT BOARD OF HEALTH AUTHORITIES

KAILUA, Kona, Hawaii, Nov. 23.—The trouble over the segregation of lepers in Kona is still the all-absorbing topic of conversation. After the steamer left with only two out of over twenty suspects, the police gathered in force and made speeches regarding their action. They told the people that as they had been elected by Home Rulers they would protect them and not allow the agent of the Board of Health to send their relatives away. Dr. Goodhue has wired to President Pinkham of the Board of Health for instructions and Keolanui, Sheriff of Hawaii, is to come here after the court term in Kau, to investigate the actions of his subordinates.

Among the natives in the community who appreciate the gravity of the situation a petition is being circulated asking the Supervisors to impeach the Deputy Sheriff, Keolikoa, and Captain of Police, Makahalupa, for being remiss in their duties.

Dr. Goodhue, the Government physician, was held up to scorn and publicly taunted by these officers because he was unable to do anything in the matter of sending the suspects to Honolulu without their aid.

Another story coming down from the Kona district is as follows: Kailua, Kona, Nov. 23.—There is quite a disturbance in North Kona

## 100 Year Old Record To Be Dug Up In Naturalization Case

BIG QUESTION TAKEN TO SUPREME COURT

The famous question of naturalization by Circuit Courts, which has caused so much dispute, after it was first raised by Judge Matthews, who held that such naturalization was not valid, is finally on the way to being decided by the Supreme Court. This question arises from the fact that the United States Revised Laws state that naturalization shall take place "before a circuit or district court of the United States, or a district or supreme court of the Territories, or a court of record of any of the States having common-law jurisdiction and a seal and clerk," making no mention of the circuit courts of Territories whatever.

"This question," said Deputy Attorney General Prosser, in speaking of the matter this forenoon, "must have been brought up in 1892 when the law was passed. The preamble to the act states that whereas serious doubt has arisen in regard to the right of certain courts of record to be enacted that courts of record, having a clerk and a seal, etc. The question will therefore involve a careful study of the discussions and debates which took place in Congress at that time in order that it can be ascertained what the intentions of Congress were. That is going to be a big piece of work."

The matter is being brought to the attention of the Supreme Court by a certificate of appeal sent from the Hills circuit in the Morita Kato matter, a Japanese murder case, in which the question of naturalization was brought to the Supreme Court. The Attorney General's Department intends to move immediately in the matter so as to get the question decided as soon as possible.

The statement of facts, which is submitted in the matter, shows that on August 24 the defendant filed a plea in abatement to the indictment, alleging that it was found by a grand jury of sixteen men, eight of whom were not citizens, and therefore eligible as grand jurors. On August 25 stipulation was filed whereby both parties agreed that all issues raised by the plea be tried without jury, jury trial being waived.

The attorneys on both sides admitted that the defendant was not committed by the August term grand jury and had no reason to know that it was considered evidence in his case until after it was sworn to act; that only sixteen of the grand jurors heard the evidence.

## TOURIST'S TRIBUTE TO HAWAII'S VOLCANIC WONDERS

The following is a copy of an entry made by Solomon Lucas of Norwich, Connecticut, in the record book of the Volcano House, Hawaii, Nov. 20th, 1905.

The condition of the crater, lava beds and surrounding country, as seen by one visiting them at the present time, is of unsurpassed interest, disclosing as they do, not only a wonderful state of things that now exists, beyond the power of description, but also furnishing unmistakable evidence of that which has happened during the centuries that have passed.

It is the contemplation of the latter that fills the soul with the most profound wonder.

## Honolulu Prize For Fair Girls

FOUR FREE TRIPS TO HONOLULU To Be Given away by The Bernardino Times-Index

to the most popular young ladies of San Bernardino County.

The young lady who secures the largest number of votes in each one of the four districts will be sent to Honolulu free of charge. This offer includes first-class transportation both ways, berth and meals while en route and first-class hotel accommodations in Honolulu. The young ladies to take this trip will be determined by the popular ballot of the Daily Times-Index readers and friends of the contestants.

Who will be the four young ladies? This question will be answered December 2nd.

The above occupies a page, in flanking type, of the Daily Times-Index, San Bernardino, Cal.

Says this paper, copies of which Secretary H. P. Wood of the Hawaii Promotion Committee received in today's mail:

There have been contests and contests in San Bernardino and the surrounding counties, but none have started off with the dash and enthusiasm accorded the Daily Times-Index Honolulu contest. There are many bright and popular young ladies in the race up to date and no doubt before the announcement of the names has come out many more will be entered in the contest. There is always room for one more and no end of interest will be manifested before the close, December 2. Four young ladies, one from each of the four different districts of San Bernardino County, are going to be enjoyably entertained at Honolulu one week at the expense of the Daily Times-Index.

The route over which these young ladies will be sent to Honolulu is a picturesque one and they will enjoy the sights.

Truly this contest has become the

## 'TIS YALE

CAMBRIDGE, Mass., Nov. 25.—A great crowd assembled today for the annual Yale-Harvard game.

Harvard won the toss and chose to defend the west goal, giving Yale the kick-off. The wind was blowing across the field from the west.

Harvard surprised the crowd by its stubborn defense and offense, arousing wild enthusiasm from both sides.

Harvard attempted many trick-plays which were promptly blocked by alert opponents.

In the first half the score was Yale 0, Harvard 0.

Yale was first on the field for the second half. Yale directed the attack against Harvard left side. Forbes carried the ball across the line for a touch-down after forty-five minutes' actual playing. The ball went over near the side lines. Hutchinson kicked the out and Hoyt kicked the goal amid great excitement. The final score was Yale, 6; Harvard, 0.
